## District Personalities

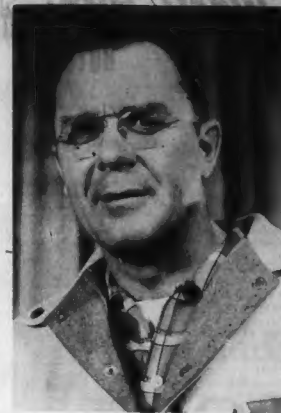

Photo by Cur's Studio

**KARL WILLIAM WAHL**  
Mr. Wahl was born in Edmonton, where his father was pastor of the United Lutheran Church of America, Canadian Synod, Karl attended school in Edmonton, and when the family moved to Barhead where his father had taken a pastorate, he finished his school work in Barhead.

With the coming of the Second World War, Mr. Wahl joined the Army Service Corp and was later in the Reconnaissance Corp.

He returned to Barhead in 1945, at the end of the war, after three and a half years of service. Returning to Barhead he went to work in a hardware store, in which he worked first as clerk, and then as manager. He stayed with that job till he came to Drayton Valley in 1955. Here he went to work for Pembina Pipe Line Ltd. where he is still employed as Pipeliner.

He married Miss Service Jean Morris at Vernon, B. C. in 1943. The Wahls have three sons, John, Bill and Ken. They have built their own home in a very nice section of Drayton Valley.

Karl is an enthusiastic civic worker. While in Barhead he was a member of the Kiwanis

Club and the Volunteer Fire Department and the Legion. Since coming to Drayton Valley he has joined the Rotary Club. He is a member of the United Church Choir. Interested in music, Mr. Wahl has taken an great interest in the formation of senior and junior bands in Drayton Valley. He expects to be hand leader for the junior band with that end in mind he has gotten their three boys blowing on horns, and we can look for a very good junior band to develop before long. In conjunction with the senior band which is now in the process of formation.

One phase of Mr. Wahl's civic activities represent not only his interest in community affairs, but also the interest of the company for which he works, Pembina Pipe Line Ltd., an local civic affairs, that is his place as councillor on the Council of the Town of Drayton Valley. Men of high calibre are needed for this place of civic responsibility. Pembina Pipe Line is so be commended in urging Mr. Wahl to serve on the Council, and Mr. Wahl, in accepting the position, renders a real place of service to this community.

Neto family. First prize award was \$15.00, second was \$10.00 and third place award was \$5.00. The prizes were won up by Drayton Valley Chamber of Commerce.

Judges were the Rev. Russell Brown, Rev. R. Scriver, Pastor Wulff, and Rev. Althorn Wright.

## BUILDING

1960 was a boom year so far as construction within the Town was concerned. The total of

A total of ninety-eight new dwellings were started during the year, and twenty-one trailers were put on lots, which means that within a short period homes will be built there.

In next month issue we will give the breakdown for residential, industrial and commercial building for the figure of over one million, three hundred thousand dollars quoted above.

cont. Insert A. col. 1.

## CARNEGIE COURSE

DALE CARNEGIE COURSE

A Dale Carnegie meeting was held in the Scout Hall with quite a number attending.

The meeting was sponsored by Drayton Valley Rotary Club. Mr. Jim MacLeod, instructor explained of what the course consisted of and the many ways you can develop self-confidence, public speaking and how to influence people.

The first meeting will be held in the Legion Hall Jan. 18, at 7.00 P.M. All adults interested are welcome to attend. Application forms and information can be had from any Rotary Member or Phone Mac MacLean at 642-2831.

## Hockey

DRAYTON VALLEY INTERMEDIATES WIN OPENER by Ken Machan

The Drayton Valley Rebels newly formed intermediate hockey team, started the season in a winning way. They journeyed to Calgary on Sunday

and defeated the host club 7-3. The Rebels, under the guidance of Bill Adams, have a most improved team over the previous years clubs, and should prove to be a good contender for the provincial play-downs.

Practices are held Monday and Wednesdays at 9:00 P.M. and Sunday afternoons at 1.30. Anyone interested in playing on the club are welcome to the practices, or can contact the manager, Mr. Andy Anderson at 642-3110.

At Calgary, Jim Wilson was the big point getter with 1 goal and 3 assists, while Don Shaw and Don Wilcott each scored a pair, with singles going to Harold Reinhardt and Ken Machan.

Dennis Hadley, playing goal for the Rebels, was the outstanding player on the ice, robbing the Calgary forwards of many scoring chances. Drayton led 3-1 after the first period, which was cut short when the Calgary goalies was hit by a flying puck, and 4-2 after the second period.

A game has been arranged for this coming Sunday, Jan. 15, at 2.00 P.M. here in Drayton Valley when Wabamun will come to try their luck against the local players. Come out and give the players your support.

Photo by Cur's Studio

A real live Christmas gift was this fine boy born to Mr. and Mrs. Vance Swap, of Round Valley on Christmas Day, 1960, in Drayton Valley Municipal Hospital. Mrs. Swap is the former Miss Beatrice Kelly. The Swap led broke the all-feminine chain that had prevailed in the household previously. He was the first boy, and will have five older sisters. The five other children range in age from two years to eleven. Mr. Swap is employed with the Alberta Government Highways Department in road maintenance. A year's free subscription to the P.N.A. is being sent to young Master Swap.

## RESIDENTIAL DECORATIONS AWARDS

Along with Kris Kringle, four local church leaders were out on Christmas Eve judging the Residential Christmas Decorations for the Chamber of Commerce awards.

Winner of first place was Mrs. Jack Heyland, with Mrs. Al Nichol as second and third place winner was the Pett

### Happy New Year

1960 has been an eventful year. In retrospect, the international scene seems to have been one of chaos, with the world moving from crisis to crisis. Here in Canada and in our own district we live in one of the most peaceful parts of this earth.

In spite of occasional local bogy and many individual problems we are among the most fortunate of people. Even those of us who do not have a great deal of the world's goods are immensely better off than the vast majority of the people of the world.

In the coming year we must strive to solve our own problems and to improve upon our achievements of 1960. All of us connected with agriculture will continue to work toward a world picture for agriculture as a whole.

But while we are doing these things, it might be well to keep our problems in perspective. There is much that we must and can do, but let us keep ever in mind that our troubles are minute in comparison to those of most of the world's population. Let us be thankful for that, and expend at least part of our efforts in ways that will be in some way of benefit to those masses of humanity that have nothing.

To every farm family in the district which it is my privilege to serve, I extend best wishes for 1961, and the hope that it will be a most satisfying and successful year.

### Farm Credit

Since the Alberta Farm Purchase Credit Act was passed a few years ago, land worth over 9 and one half million dollars has been bought under this plan. The loans are made for the purchase of land only. They are usually used to increase the size of the farm to form of the farm to form an economic unit, or to transfer land from father to son. Loans are also made for those purchasing a farm outright.

Under the terms of the Act, the purchaser must make a down payment of 20 per cent of purchase price of the land while the government advances 80 per cent. Hence, the vendor receives a total down payment of approximately 70 per cent of the selling price. The purchaser pays 5 per cent interest on the amount borrowed and may pay off his debt over a 30 year period. The loan may be pre-

(Cont., next Col.)

paid at any time without an additional premium. The life of the purchaser is insured by the government for the total amount outstanding on his contract.

To be eligible for a loan, an applicant must be a Canadian citizen or British subject with good character references. He must have owned 60 or more acres of land and have had at least three years' farming experience in addition to three years' residence in Alberta. He must have or have access to the equipment and other resources necessary to farm the land.

Applications can be obtained from the Farm Purchase Board in the municipality in which the land to be purchased is situated. Since it usually takes from six weeks to two months to process an application, prospective applicants are advised to apply well in advance of the time they actually want to take possession of the land.

### Controlling Wild Cattle

The favorable response by research agencies and farmers to Avadex and Carbonyl indicates the tremendous future of chemical control. Alberta's Supervisor of Soils and Weed Control, W. Lobay reports that the potentialities of many new and promising selective herbicides, now undergoing screening and testing, were discussed at the National Weed Committee conference held recently in Calgary.

In view of trials conducted in 1960, both Avadex and Carbonyl which showed considerable promise last year, were given formal approval at the Conference and revised recommendations made for their use. The recommended rate of Avadex (a pre-planting herbicide) for barley is 1 1/4 to 1 1/2 pounds. It is applied for total use only on wheat at rates of 1 to 1 1/4 pounds per acre. Last year's recommendations stated that this chemical should be used in 1/2 gallons of water per acre but 1/4 gallon trials have proved that equally good results are obtained with only five gallons of solution per acre.

Carbonyl, recommended for total use only at last year's conference, has now proved its value as a post-emergence application for wheat and barley. Recommended rates are 5 to 7 ounces per acre in 5 gallons solution. Mr. Lobay points out that this is a significant decrease from the 1959 recommendation of 8 to 16 ounces per acre.

On flax, Carbonyl is recommended for trial use only. Research work during the last two years has shown that both Avadex and Carbonyl can be used on certain specialty crops such as field and canning peas, sugar beets, rape, mustard and sunflower. Mr. Lobay indicates, however, that further research provides more information.

(Cont., next Col.)

tion, this application only are recommended for these crops, unless otherwise specified by the manufacturers.

### What's Ahead in 1961

Around the world, the outlook for 1961 is uncertain. This is certainly true in the case of international relations. It is also true when economic conditions are considered, and that's what concerns us best.

The recent Dominion-Provincial Outlook Conference predicted an increase in agricultural production. There will likely be an increase in demand for food also, due to increasing population and fairly favorable business conditions in most industrial countries.

Let's look at the possibilities right here. It is likely that the wheat crop will continue to grow in Canada. In Alberta, however, the switch from wheat to more feed grains and hay and pasture has been quite rapid. This trend will likely continue. This trend will likely be aided by the fact that it can fairly be said that Alberta farmers are leading the rest of Canada in making the adjustments needed to develop a diversified farm economy which is not based on one crop.

Cattle marketers are expected to increase in 1961. Prices will likely be moderately lower, but no sharp break is expected, probably the lowest point in cattle prices will be reached in 1962 or 1963.

There will continue to be more sheep on Canadian farms in 1961, although the larger ranch flock continues to decline. The expansion is taking place in farm flocks in the mixed farming areas. The world price of wool will be down, but this should not affect returns to Canadian producers if the present 60 cents per pound deficiency payment remains in effect. Hog prices are expected to remain the same during most of 1961 as they are at the present time. But by fall, it is likely that hog prices will begin to slump, due to increased marketing both here and in the United States.

Egg prices are expected to suffer the usual seasonal decline during the first quarter of 1961. But the price break should not be so great or for as long as it was in 1960. A need occurred already this winter toward increased hatchery may mean lower prices in late 1961 and early 1962.

The good turkey prices of 1960 will likely mean that a lot of turkey poulters will go out to the farms in 1961. So turkey prices for these birds won't be so hot in 1961, a condition quite usual every second year in this boom and bust business of turkey-raising.

In Alberta, 15 major irrigation projects make 85,000 acres independent of rainfall for crop production.

## CUB & SCOUT MOTHERS

The Cub and Scout Mothers' Auxiliary will be thankful to all who helped last fall at their Annual Sale Sale and Coffee Party, Cub Feast Drive and Christmas Parties.

88 Cubs, were assembled at Christmas Parties held Dec. 13 and 16th. The boys are heartily delighted with hot chocolate after which gifts were exchanged and bags of candy were distributed. The balance of the Rotary Club to be included in their Christmas hamper.

13 felt pennants have been made for the Scout Patrols, 6 dozen for the Cubs, and 900 felt triangles are being made for the Cub Scouts.

The January meeting of the Auxiliary will be held Thursday evening, January 26th, at 8:30 in the Scout Hall. All mothers of Cub and Scout are urged to attend this meeting. Doors are only \$1.00 per year and the boys do need your support.

Export of alfalfa seed has become an increasing economy which is not based on one crop.

## OIL WIVES' MEETING

The monthly meeting of Drayton Valley Oilwives took place on Monday, January 9th, at the Cardium Room. A delicious dinner of baked ham, chips, peas and a cold stew was served to the 84 members and 3 guests present.

During the business meeting a discussion on programing was held. It was decided we would have a dance on February 17 and hold it along a Valentine theme.

Candidates to attend the International Convention in Calgary in February are E. V. Huiwa and either Marg Walters or Dorothy Worthington whichever is able to get away at that time.

The evening was drawn to an end by several games of bingo, which were enjoyed by all and especially the prize winners which included Eileen Dimery, Gail Balash, Doris Belling and Gladys McDonald.

ANCIENT STATUE  
ARMAN, Jordan (AP) — An ancient statue, believed to be a replica of the Great God Apollo has been uncovered in excavations at Umm Qa'ar, 95 miles north of here.

### BLESSING OR CURSE

Another year has gone into history and many of us, perhaps, are not too satisfied with the accomplishments and attainments of this past year. For some it has been a year of happiness and success, while for others it has been a year of failure and loss. Were it possible to turn back the pages of time, there are, no doubt, many things we would do differently; but the past is gone forever. The Apostle Paul says: "Forgetting those things which are behind, I strive toward the mark for the prize of the high calling of God in Christ Jesus." Phil. 3:13-14. The past is gone but the future lies before us. We stand on the threshold of a new year, untried and untroubled, and unknown to us.

We have lived in our land which prove to be for our good and preserve it for the future. We have chosen to live in the present and its consequences are disaster and punishment. In the same way God has given us laws in the spiritual realm which we live in accordance with them. All of us want the very best. In our lives for the New Year before us, I pray many people that it will be the material and physical realm. There is, however, another part of man which is even more important than the material and physical and that is the spiritual. If we would put the spiritual need foremost and would seek to have it met, the material and physical would naturally have God's blessing.

We read in St. Mt. 6:33 "But seek ye first the kingdom of God and His righteousness and all these things shall be added unto you." Deut. 11:28-29 says, "Behold, I have set before you this day a blessing and a curse: a blessing, if ye obey the commandments of the Lord your God, which I command you this day; and a curse, if ye will not obey the commandments of the Lord your God." The first commandment of the Lord is this: "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind."

May the Lord help us to live the life with dignity's values in love. I will give Him place in our lives we shall experience His presence and blessing with us in the New Year that lies before us, as well as for the rest of our lives. In closing, I say with the Apostle of old, "I wish above all things that thou mayest prosper and be in health even as the soul prospereth." III John 2.

As given in the Word of God, we see that God has set before us a choice: a choice of a blessing or a curse. We have been created free will agents and God does not force us to obey or love Him. The choice is entirely ours to make, and God's blessing on our lives depends on the choice we make in making room in our lives for God, our creator.

Many are the lessons we can learn from studying the history of the Israelites in the Old Testament. The Israelites were the fear of the Lord they had God's presence with them in power.

(Cont., next Col.)

## WELCOME LITTLE STRANGERS

Week of December 18 to 24.

## Looking at Recreation

by Michael Cormaley

Recreation Director

### ANOTHER YEAR:

Well here we are on our way into a brand new year. As we stood on the threshold of 1961, we all wondered what this year had in store for us. Will it be a good year? A successful year for the individual? A prosperous year for our town and our country? Will it be a year of peace which will see tensions eased and belligerence diminished? These are the questions which will only be answered as day by day the pages of time are slowly, yet rapidly turned. Time brings changes and this year is bound to bring to share in each and every individual life, in our community, our province, as well as all over the world. On the threshold of 1961 I certainly hope that each one will be able to fondly survey the past twelve months and truthfully say: "This was a good year".

At this time, I would like to extend my sincere wishes to each and every individual in this community for a bright, prosperous and happy year in 1961. As Recreation Director here in Drayton Valley I hope to be able to serve you to your satisfaction throughout the coming twelve months. I look forward to dedicate myself for the general advancement of this community's recreation program as well as the promotion of our youngsters in the athletic field. As I look back, I think that my first months in this community have been successful and I only hope that at the end of this year I will also be able to look back with such satisfaction and feeling of accomplishment.

### HOCKEY INTEREST HIGH:

After a slow start and a series of minor drawbacks mostly due to unfavorable weather, ice hockey has finally got into the groove in Drayton Valley. Interest in the game seems to have almost reached a fever pitch especially at the Bantam, Midget and Juvenile levels. When whole teams turn out for practice before 8 A.M., the enthusiasm is there beyond the shadow of a doubt. The only part of the local hockey program that has been a bit disappointing is the poor turnout among the Pee Wee boys in their scheduled games. One game had to be postponed just because nobody showed up except the coaches and a handful of players. It is hoped, however, that enthusiasm will increase as time goes on, otherwise we may have to revise our teams and our schedule at the Pee Wee level.

The Pee Wee League finally got under way at the local rink on January 2, however, only three of the five scheduled games were played during the first

(Cont., next Col.)

week. The D.V.A.A. Canadians set the pace with a pair of wins. They rode over the D.V.A.A. Red Wings 2-0 and blanked the Wilmer Foods Stampede 2-0. In the other scheduled game the D.V.A.A. Rangers secured a 2-1 victory over the Wilmer Stampede. The D.V. Hotel Flyers have yet to play a game at they were involved in the two postponed games. Don Anderson leads the individual scores in the Pee Wee with three goals while Terry Ward and Jack Kent have each scored in a pair of games. Among the goalies Bates Tuck has still a perfect record after two games, with two shutouts to his credit.

Among the Bantams action started on January 2, and three games were played last week. The Rotarians lead the league with two wins in a 3 game series, the Oil Kings won the Elk 2-1 on Friday evening. Kenny Billa of the Rotarians leads the point gamers with two goals and an assist for 3 points while Lane Huska, David Disney and Billy Nutter have 2 markers each. Among the goalies, Terry McMannus has the best goal against average with two goals in two games.

In an exhibition game, at the Bantam level, held Sunday afternoon at the local rink the Drayton Valley All Stars crushed the Tomahawk High School Juniors 6-1. Allan Schultz led the way for the locals with 2 goals and a pair of assists. Cliff Lindskog added two more while Kenny Billa and Carlton Mattoon got the singles. John Gilbert got the singles. Terry McMannus of a shutout, coming with only thirty seconds of play remaining.

To date things have not been as good for Charlie Davies and his Midget crew. They seemed to get off on the wrong foot and this first week was disastrous to say the least. On Monday they dropped a 6-0 outing at Wabamun, on Tuesday evening a heavier and more experienced Wabamun team set the locals back 10-4 and to finish the week on a dismal note the Lions once again failed to score against Wabamun and wound up on the wrong end of a 4-0 loss at the D.V. rink on Saturday afternoon. Despite the rather discouraging start, Davies has as fine a squad of young hockey players skating for him as you will find. They will come along as time goes on and win their share of hockey games. After a series of exhibition games they will enter in the Midget Provincial.

(Cont., next Col.)

chial Playdowns some time in February. You will certainly hear more of the local Midget team before the season is out. The individual scores among the Midgets to date are Steve Simon, as, Neil Bell, Wayne Flanagan and Russell Moke all with a goal each.

As a grade finale to the Bantam exhibition game Sunday afternoon the Drayton Valley Pipelines opened their Juvenile exhibition series with an 8-1 rout over the Tomahawk High School Juniors. The first period was scoreless, however the Pipelines began to find the mark in the second when they scored in four goals while another four were added in the final frame. Gordon Tucker led the rush with 3 goals and 2 assists; Ken McMorris tallied once and helped on three others. Tommy Shaban got a pair of markers while Alvin Hopfe and Jim Jackson rounded out the scoring. Ron Saitz played an outstanding game as the D.V. men and had a shutout. The fact that they were the final minute when Jack Warden scored the lone Tomahawk goal.

The first week of Minor hockey in Drayton Valley had its ups and downs, but on the whole things worked out pretty much as expected. The boys had a good time and when all is considered and in due respects to one and all some pretty fine hockey was played at every level. I would say that we are off to a splendid start. It might be a bit late - however - is this case it is away better to be late than never start at all.

### ART EXHIBITION ON HAND:

Well the first of a series of three Travelling Art Exhibitions has come and gone and in fact before you read this column the second exhibition will already be displayed. The first one was viewed by some 160 people which is not a bad attendance when you consider that it was displayed at the end of the holiday season and moreover got little publicity due to the time and the circumstances of its arrival in Drayton Valley. The second showing held in the Town Library on Monday, Tuesday and Wednesday of this week has been much more publicized and a higher attendance is certainly expected. This exhibition has been done at the Department of Education of the University of Alberta by some of the better known artists in the province.

At this point I wish to sincerely thank Mrs. Marlene Palmer who has spearheaded the artists drive in this town. She was instrumental in the organizing and the advertising of these exhibition displays. She has also unpacked the paintings, installed them in the local library,

and repacked them afterward. Once again for and recreation activity to be a success you must have that key person and once again I have come up with the person I was looking for. I wish also to say a very special thank you to all the ladies who donated their time to supervise the paintings while on display.

The final exhibition of the year will be presented here in Drayton Valley at the Town Library later this month. The display, a twelve picture show from the Dept. of Fine Arts of the U.G.A., is due here on January 24, and a definite dates will be set for showing before very long and will appear in this column next week if at all possible.

Here is the artistic works you will see in the third and final chapter of the Travelling Art Exhibition "Rigour", "Rustic Park" and "Cannon" by Professor Glyde; "Opaline Pass", "Peace River" and "Landscapes" by J.B. Taylor, "The City", "The Forest" and "Indian" by Norman Yess, "St. Quentin - Fallavier", "The Warrior" and "Winter Garden" by R.L. Forbes. All these mentioned are among the finest artists in the country and despite the fact that you may have seen some very outstanding marks in the two previous exhibitions, I earnestly think that these twelve pictures in the final display are the last week of any thing that we have seen. So folks, don't miss this very fine art display. It will not cost you a cent, but the time you spend admiring the works of art.

### BOXING HERE FRIDAY

YOUR FAMILY ENTERTAINMENT CENTRE.

held a cat fight on Friday 13th. Well, the Drayton Valley Athletic Association are planning to hold the first boxing card of the season at the S.P.O.E. Community Hall on Friday, January 13th. A much more complicated, more rational and more profitable project than the aforementioned one, yet the devoted supervision of number 13 does not bother the local organization nor the local competitors.

From the look of things from him, Gordon Crow will have a real thriller of a card lined up featuring some twelve bouts fitting Drayton Valley boys against the cream of the crop of clubs from Greater Edmonton.

The feature attraction of the evening will present Rufus Combs, "The Pembina Panther" against either John L. Sullivan or S.S.L. or Bill Tully of Jasper Place. Rufus has come a long way since the home folks saw him in action last year, in fact you may well be watching a future Dominica Champion in action at the local Community Hall come Friday night. In other words, Rufus Combs, Gary Mastre, Marvin Combs and Roy McKenzie will be in there pushing leather against the best available opposition from the city.

So fans here is your chance to see Rufus Combs and other local fighters in action and enjoy in evening watching the very fine and exciting, and competitive, of amateur boxing. Tickets are available from the members of the Athletic Association and at some local business centers. Come out and cheer our favorites on. They will be looking forward to see you at the ring.

# D. V. HIGHLIGHTS

(Cont. from Page 8, Col. 8)

Friends of the Schmidt family will be interested to hear that Mrs. Josephine Schmidt and Mr. Lawrence Campbell were married in Youngstown, Sask. on January 7. Mr. & Mrs. Campbell will spend part of their honeymoon in Drayton Valley visiting Mrs. Campbell's family, Lewis Schmidt and Mrs. Fern Ross. A second daughter, Mrs. Deanna Little, lives in Saskatchewan. Mr. & Mrs. Campbell will be guests of Mr. and Mrs. B. Blazek.

Mr. & Mrs. Gordon Kynoch had their entire family with them to celebrate Christmas. The family consists of three sons and three daughters, their wives and husbands and twelve children. They are from the district were Mr. & Mrs. Kynoch and their children, from Whitcomb. From the district were Mr. & Mrs. William Block and family; Mr. & Mrs. Gordon Kynoch Jr. and family and Mrs. Fred Kynoch and family. Frank, the Kynoch's only unmarried child, is still at home. Hope you have many more such happy Christmas celebrations, folks.

We are happy to hear that little Bobby Burrows is feeling a little better. Bobby has just spent a month in hospital and it will be a little while before he has recovered his usual zip.

Welcome home, Mr. Editor. Hope you had a pleasant holiday.

## NIBBLES

# Of Many Things

by Andrew Hill

## A NEW YEAR'S RESOLUTION

Here's a suggested Resolution for Canadians. If everyone adopted it, there's little doubt but what 1961 would turn out very well indeed. At any rate, you are welcome to adopt it. "During the next 12 months I shall do my best to be a good citizen, a good neighbor, a useful person. I shall follow the precepts of the great religious leaders, John Wesley, who said, 'Work all you can, pain all you can, give all you can.'"

"I shall do my level best to provide for all the needs of my family and myself, so that I shall not be a charge upon others. Indeed, it will be my goal to earn enough to give a helping hand to others if need be. I shall refrain from eating others to do for me anything which I might rightfully be expected to do for myself. And I shall encourage friends and neighbors to take a similar attitude."

"Whatever my job, I shall do it well, because I know that the best efforts of all men and women are required if Canada is to remain strong and free in these perilous times. I know that when I work efficiently, my neighbor is able to buy the goods or services I produce at a more reasonable price. The more efficiently I work, the more goods or services can be bought with a dollar bill—whether it be the dollar of an old-age pensioner, or the dollar in my wife's purse when she goes out to shop for our family."

"I firmly resolve to be a force for good in my community, by reforming myself rather than seeking to reform my neighbor. I shall look for the good in others and try to get rid of the bad in me."

"I know full well there will be many times when I shall be a drag on society, rather than a driving force. There will be times when the urge to be small, or mean, or selfish will assert itself. On such occasions I shall ask myself if such an act will help or hurt Canada. If it hurts Canada, in the long run it will hurt me, too, and hurt my children."

"In brief, each day of the New Year I shall direct my every act to this end, that I shall give full value to everyone with whom I deal."

## GYMKHANA NEWS

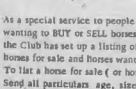

Now that the festive season is over the Gymkhana Club intends to get down to business and prepare for coming spring events. A carding evening was held on Friday, Dec. 23rd. I am quite sure participants enjoyed themselves and are looking forward to the next social affairs. A fascinating and delightful afternoon followed by a Pot-luck supper. This will take place on Sunday, January 15th. The monthly meeting will also be held at this time, the meeting and supper taking place in the Rocky Rapids Hall after the sleighing etc.

Gymkhana, what does it mean? Where did they get that fancy name up? These are questions that are being thrown at members when the club is spoken of. Webster's dictionary meaning is "Athletic or other sporting contest" apply this to homes and find it a home club set up to do what the ranchers of years ago did, have fun competing with others. As for the origin, many Gymkhana's are held not only in homes but also at country gymkhana's. The correct pronunciation is JIM-KAN-A.

I certainly hope this explanation helps our readers understand our club more easily.

As a special service to people wanting to BUY or SELL homes, the Club has set up a listing of homes for sale and home wanted. To list a home for sale (or home) send all particulars, age, size, cost, on Page 11, Col. 1.

**REPORT FROM PARLIAMENT HILL**

By Hugh M. Horner, M.D., M.P., Jasper, Edson, House of Commons, Canada

**YOUR MEMBER OF PARLIAMENT REPORTS:**

One of the most progressive steps ever taken at Federal level is to encourage vocational training in the introduction of legislation which will allow the Federal Government to join with the provinces to provide technical training programs. This is of real importance when we realize that much of our unemployment is due to lack of training and technical change which requires retraining.

Because the provinces are responsible for education and guard this right closely, this must be a joint program. In essence, we will pay for 75% of the cost of each program, including 50% of the cost of capital facilities.

It is my hope that these vocational school facilities will not be centralized only in the cities and that the recommendation of the Cameron Commission will be followed. That is, that community colleges be set up in rural areas in vocational work are primary in their areas.

To go along and direct the Government in its extensive quest to solve the chronic problem of unemployment, the Government will also set up a National Productivity Council to recommend and advise it in regard to employment and the ways and means to ensure an expanding job program to meet our expanding labour force.

May I take this opportunity to wish one and all a Very Prosperous and Happy New Year.

Dear Constituents:

It has always been my contention that development of this country can be helped by giving small businessmen the opportunity to expand.

As you know, much of my efforts have been to achieve either credit terms for businessmen to improve their premises and to assist them generally.

Many of the other Members have had the same interest and we are most pleased that our efforts have resulted in the passing of the Bill which I am pleased to enclose.

Yours very sincerely,  
Hugh M. Horner, M.D., M.P., Jasper - Edson.

**THE SMALL BUSINESSES LOANS ACT**

Sponsored by Honourable Donald M. Fleming, M.P., Minister of Finance (Cont., next Col.)

**TERMS OF REPAYMENT** - The maximum term of a loan is 10 years. In general, the terms are conditions of lending will be flexible and conform, as far as practicable, to the individual circumstances of the borrower, taking into account the size and purpose of the loan.

**PROCEDURE TO SECURE LOAN**

In the near future, all branch banks will be able to provide detailed information and will have forms of application for loans. The borrower must complete this application showing the purpose for which the loan will be expended, file it with his branch bank, which will scrutinize and check the application and upon approval of the loan, advance the proceeds.

Office of the Minister of Finance 15/12/60

**SMITH TOOL CO. SANTA CLAUS?**

It appears that Smith Tool Co. Ltd. have a variety of interests. Not only are they interested in providing good rough drilling bits for the oil industry but they are also interested in education. Smith Tool Co. has dedicated 16 volumes of "The World Book Encyclopedia" to the Grade seven class which are attending school at the Park Macdonald School in Drayton Valley. This is really a wonderful gift for the younger grades. The encyclopedia is thoroughly illustrated and easily understood. These books go along very well with Science and Social Studies.

Three cheers to Mr. Art Hanson who has acted as one of the Magi and brought out this set of encyclopedia. Mr. A. Hanson has been in the Drayton Valley Oil Field for some time. He is well known by the toolpushers for his good service and also for the excellent product that he delivers. The teachers and the class wish him and Smith Tool Co. a very Happy New Year.

**WHAT IS A SMALL BUSINESS**

As a reasonable and equitable definition, a small business is defined as one with a gross revenue of less than \$250,000. In the year of application, Gross revenue means the aggregate of all amounts received in the period or receivable in the period (depending on the method regularly followed in computing profit) otherwise than as or on account of capital. Approximately 940,000 businesses will qualify for loans or 92% of all business in the eligible classes.

**AMOUNT OF LOAN** - The maximum amount of a guaranteed loan is \$25,000.00.

**INTEREST RATE** - The rate cannot exceed 6% per annum but is expected to be the prime bank rate prevailing from time to time or slightly below. The prime rate at present is 5 3/4% per annum. No fees, service charge, or charge of any kind other than interest is payable, except a charge for insurance where applicable.

FOR GENERAL PRACTICE OF DENTISTRY IN ASSOCIATION WITH THE MEDICAL CENTRE, DRAYTON VALLEY.

**TO THINK IT MIGHT HAVE ENDED LIKE THIS**

Primitive man had it toughest—most of the other animals were bigger and stronger. Fortunately, man had brains... and a wife... or he might have ended up on the wrong side of the plow.

In the early days man competed with earth's other creatures—today man competes with other men to develop energy sources. In the process our standard of living has sky rocketed.

Competition has helped Canadians achieve one of the world's highest living standards. Take the way it works in the oil business—Imperial Oil and hundreds of other companies compete to supply Canadians with oil. As a result, oil is available at reasonable prices whenever it is needed—and Canadians have turned to oil for more than half their energy needs.

**ESSO IMPERIAL OIL LIMITED**  
...for 80 years Canada's leading supplier of energy

**Stewart Motors Ltd. is now under new management & will now be known as Stewart Motors.**  
We will endeavor to give you the very best of service during the coming year and ask you to drop in and get acquainted.

**LOOKING AT RECREATION**  
cont. from page 11, col. 3.  
Mrs. Paula Lesunbenburgh.

One Junior class and one Senior class is held each week. The Juniors work out from 4:55 PM until 6:30 PM, on Thursday evening while the Seniors get their exercise from 10:00 AM until 11:30 on Saturday morning. All classes are held in the local Scout Hall.

Right now, Mrs. Lesunbenburgh feels that she could handle a few more girls both in the Junior and Senior classes. The Junior class takes in the 6 to 8 age group while the 9, 10 and 11 year old girls form the Senior group.

If your child is interested in gymnastics here is her chance to get started. Just phone the Recreation Office, get in touch with Mrs. Paula Lesunbenburgh, or better still, send your child over to the Scout Hall at the aforementioned times.

**D.V. PACERS DOWN NITON**  
68-46

The Drayton Valley Pacers returned to the basketball courts in great style on January 5, at Wildwood where they upset the Niton team 66-46 in a regular scheduled Pembina Valley Basketball League fixture. The Pacers had the edge in play throughout, starting fast, holding the stubborn Nitons at bay in the second and third quarters and finishing in great fashion.

Once again Alvin Hopfe was the big gun for Drayton Valley, compiling a total of twenty points on his night's work. Ken Mitchell got 14, Howie Jensen scored ten times while playing coach. Bob Barker found the basket for a total of 9 points.

The win puts the local team in a tie for first place in the league series. On Friday evening, January 13, the Pacers open their home schedule when they face the Wildwood squad at the "Prank Macdodd" High School.

School Gymnasium. A win on Friday would put our boys in the driver's seat. It is expected, however, that the up and coming Wildwood team will have something to say about that.

Bob Barker has informed us that Drayton Valley will also have a Junior team competing through the remainder of the season. The Juniors will take on a Junior team from Wildwood on Friday evening in a court warmer to the Senior game.

The Senior game will get under way at 7:00 P.M. The entry fee is .25 for adults and 10¢ for students. Come out and cheer your Pacers on.

**From Scoop's Notebook**

Visiting in Drayton Valley with his sister, Mrs. Carole Lapierre at Christmas time was Wayne Jensen, formerly of Drayton Valley, now living in Montreal.

Wayne says that his brother Lyle is at Fort Simpson, N.W.T. Home for the holidays, also, was Miss F. Brown, sister to Lucille Home for the holidays, also, was Miss F. Brown, daughter of Mr. and Mrs. Clyde Brown. Miss Brown is Nurses Aide in Hinton Hospital.

Yuletide visitors were Mr. and Mrs. Stables, of Altario, Alberta, who was visiting with son and daughter-in-law, Ernie and Patricia Stables.

Another holiday visitor was Mrs. Steeves, Sr. who was visiting with the Roy Steeves family.

The former "Jelly" girls in the telephone office here who have now gotten similar jobs in other places are: Miss Sheila Vandergriff, Chas. Min Poly Kow and Miss Joyce Schranke, Wainwright. Miss Louise Bailey, Camrose. Miss Maile Davidson, Vermilion, and Miss Eleanor Whipple, High River.

We recently met an interesting gentleman, straight from Dublin, Ireland. He is Dr. James Hamilton Keys, resident doctor

in Berlin. Dr. Keys came to this country first to Rapid Lake Saskatchewan. Mrs. Keys came out here in September of last year, during the winter. Both like this country, with its many different customs, but both also miss the "cold" sod.

Welch of Canada, quietly folded up their operations in Drayton Valley and closed their local office. Any further work done in this field, and they still do a lot, will be handled from either the Edmonton or the Red Deer offices. Doug, Iveson was in charge of operations here. Doug, has been transferred to Red Deer.

In 1956 Welch employed 15 men for operations in this field. Their building was one of the largest in Drayton Valley.

Another man who was in Drayton Valley for some time, Lynn Nelson, has been transferred to Fort Nelson, B.C. He will open an office for Flint Rig in that town.

Also transferred a few weeks ago was Bill Gannon, working for Dowell of Canada. Bill was transferred to the Calgary office by Dowell. Bill's wife, Patricia, was working in the Pembina News office previous to the transfer.

By boat and train came Mr. Joseph Beniski, and his wife and four year old boy from far-off Poland to Drayton Valley. Mr. Beniski is the brother of our redoubtable Henry the Barber. Joseph is a barber by trade

also. (Wonder what they are doing in Poland for haircuts now?) Joseph is working with brother Henry in the barbershop in the Hotel.

We were so sorry to disappoint many avid readers who expected us to do something really exciting, exotic and extraordinary during the New Year vacation. Apparently the rumor was out that we had gone to Hawaii, also another one that we had gone to sunny Southern California. However, with only one week remaining in which to go any place after we had got things wrapped up for the year-end, we settled for a quite prosaic trip to Great Falls, Montana, where men are men and the women are glad of it.

Among the many much-appreciated cards we received during the Christmas season was one from good friends Jack and Irene Scott and son Cliff. Last summer they pulled up stakes and went to Fort St. John, B.C. Jack is now in the construction business on his own. Their construction company is called "Lamar Contractors Ltd." Always shrewd business heads, Jack and Irene get their pricing done at the P.N.A., as they claim, rightly, no doubt, that prices here are cheaper and delivery is faster. We appreciate their confidence.

Their daughter, Sherry, who was once voted Ice Carnival Queen, still lives in Drayton Valley, near the home of Mrs. Davies, Jr.

**ROUQUETS TO THE LIVING DEPT!** An old saying, and a true one, is to the effect that while it is well to remember the departed with floral tributes, it is even better to acknowledge the living with appreciation. In that department we wish to place our contributors. We do appreciate what they do, have done, and will no doubt continue to do in the not-so-far distant future.

In that category falls our good friend, Edith Deby. A former school teacher, Mrs. Deby writes quite engagingly in her column, "Drayton Valley Highlights."

She has contributed this interesting column ever since there has been a P.N.A., and before that she contributed a similar column to a paper for which we were local editor.

We know that readers look forward to Edith's contributions of items of local interest. We are glad to have her among our valued contributors.

Then, too, another thing that we like about her is the fact that she laughs so heartily at our weak and inept jokes. Should we be slightly down in the "dumps" at the moment of her telephone call, all we have to do is to make some lapsed pun or alleged joke and her hearty laugh immediately lifts the gloom. Again: Thank you! P.S. We have tried to get her into the District Personality column but she claims she is too phlegmatic. We are sure, however, that she is a good model.

## D.V. Hospital Women's Auxiliary

DRAYTON VALLEY HOSPITAL  
AUXILIARY

The November Meeting of the Drayton Valley Hospital Auxiliary was held in the Nurses' Home with a good attendance. Tag Day was once more postponed due to bad weather. A Bake Sale was held instead. A second Bake Sale was held in December to help pay for the oxygen Tent for the Children Ward. Our thanks to the many contributions of baking. Let's from Violet Grove took a considerable amount of sewing to do. Two members Mrs. Gray Mrs. Wagley who have left Drayton Valley, have contributed a number of articles. We are sorry to lose such valuable members. Mrs. MacInnes reported business brisk at the canteen. It was suggested we might need a second showcase for displaying the knitted baby garments we have for sale. Election of Officers was held and the new slate is as follows: Hon. Pres. - Mrs. D. McKenzie; Past Pres. - Mrs. K. Barr; Sec. - Mrs. H. MacInnes; Vice Pres. - Mrs. F. Harrison; Treas. - Mrs. H. MacInnes; Recording Sec. - Mrs. L. Gano; Correc. Sec. - Mrs. B. Palmer; Trust. - Mrs. L. Wagh.

**HOSPITAL AUXILIARY**  
Plans were made to remember the Hospital Staff at Christmas. It was noted that we would hold a tea when the New Wing of the Hospital opens. Mrs. MacInnes gave a very interesting report on the Convention. On October in Edmonton, she brought back a number of new ideas from other auxiliaries. The report will follow. The next meeting will be held on Jan. 19 Sunday at 1:00 P.M. in the Nurses Home, Mrs. Ford of Edmonton Ind. Vice Pres. of Pemb. aux. has agreed to attend a Installation of Officers. Anyone interested in helping us with our work is cordially invited to attend. At the moment there is a great need for a maid.

## REPORT OF DRAYTON VALLEY HOSPITAL AUXILIARY FOR

1959-60  
Read at annual convention held at the MacDonald Hotel Oct. 10-21-1960  
State of officers  
President - Mrs. Ken Barr  
Vice Pres. - Mrs. F. Harrison  
Treas. - Mrs. H. MacInnes  
Recording Sec. - Mrs. L. Gano  
Correc. Sec. - Mrs. B. Palmer

Recording Sec. - Mrs. G. Cross  
Correc. Sec. - Mrs. B. Palmer  
Trust. - Mrs. L. Wagh  
Activities during year.  
An oxygen tent was purchased for the children's ward at the hospital. A stainless steel table was also given for the operating room. \$25.00 was given towards the purchase of dishes for the Nurses' Residence. Vasey's gave to hospital. The Aux. received \$25.00 from the Drayton each Blood Donor Clinic. \$25.00 was given to the T. B. fund.

**MONEY MAKING PROJECTS**  
Sut Raffle which realized net profit of \$174.50. Several bake sales. Florence Nightingale Tea. Annual B. part of Associated Auxiliaries of Hospitals of Alberta to 1960 Oct. 25-27. 66 delegates were present 16 V. B. 54 from 12 P.M. to 5 P.M. in the Nurses' Home. The report from the different Auxiliaries provided many varied and stimulating ideas, some such as Valentine's Tea. Christmas. Fancy mappings and cards on patients trays on special occasions e.g. fluffy chicks at Easter. Layettes kept on hand. Volunteer's Hospital in various ways. Distribution of magazines etc. The Provincial auxiliary gives 2 awards to Best Christmas card. Mrs. MacInnes who are planning to go further studies, but it was suggested we might need a second showcase for displaying the knitted baby garments we have for sale. Election of Officers was held and the new slate is as follows: Hon. Pres. - Mrs. D. McKenzie; Past Pres. - Mrs. K. Barr; Sec. - Mrs. H. MacInnes; Vice Pres. - Mrs. F. Harrison; Treas. - Mrs. H. MacInnes; Recording Sec. - Mrs. L. Gano; Correc. Sec. - Mrs. B. Palmer; Trust. - Mrs. L. Wagh.

## O.O.R.P. News

December proved to be a very interesting and active month for the O.O.R.P. We held our Christmas Party on December 16th, with an exchange of gifts and a pleasant social time. The proceeds from the Turkey Bingo held on Dec. 14, was used for purchasing a wringer washing machine for the Hospital. \$100.00 was given to the Recreation Committee to purchase a built-in Record player for the skating rink. A joint O.O.R.P. and Elks Christmas Party was held in the Elks Hall on December 18th. Lady Creel was in charge of the entertainment and Santa gave Christmas candies to the children. On behalf of the O.O.R.P. I would like to extend to all a Very Happy & Prosperous New Year and to thank all who attended the Bazaar so faithfully. I hope to see you all at the O.O.R.P. New Year's.  
Patricia Jenkins.

LOOKING AT RECREATION.  
(cont. from page 8, col. 8)

**CRAFTS COURSES OFFERED IN 1960**  
Word has been received from the Department of the Provincial Secretary that the Arts and Crafts Division is anticipating offering courses at the Recreation Leadership School of 1961 from July 9th to August 5th.

Last year basic courses were offered in Ceramics, Design and Basketry, as well as advanced courses in weaving, metal and leathercraft.

Since basic courses are available at all times on a regional basis, it would seem that the advanced courses should monopolize the Summer School program, however, so much depends on public opinion and we certainly would like to hear your ideas on this matter. A survey sheet to this effect must be completed and returned to the Cultural Activities Branch by January 20, 1961.

The fee for two weeks craft training is \$30.00; four weeks craft training - \$60.00. This covers room, board, tuition and cost of basic material.

It is very important to remember that to qualify for any enrollment in advanced classes, students must have a Basic Design Course.

## CRAFT CLASSES VERY SUCCESSFUL

The Girls' Gym classes, organized late in November and going on over time on a bi-weekly basis have proven to be a great success. Thanks to the cooperation of the club director (Cont. page 10, col. 3).

## HOSPITAL ADDITION TO BE OPENED

On Saturday, January 21 st, the new fifteen bed addition to Drayton Valley Municipal Hospital will be opened officially by members of the Department of Public Health. The opening ceremonies will start at 2:30 in the afternoon. Members of the Ladies Hospital Auxiliary will serve a silver collection tea, proceeds of which go towards the purchase of a T.V. for the children ward, a project that is being undertaken in cooperation with the W.L.

The new addition to the hospital brings the capacity of the hospital to thirty-five beds. It was built by New West Construction at an approximate cost of \$70,000, with an additional cost of about \$10,000 for furnishings. The public is cordially invited to come out to the Open House on

January 21 st and look over the hospital.

Total admissions to the hospital last year, for one day or longer, were 2,325, and 341 babies were born there during the year. During 1960, 979 outpatients were treated and released without spending a night in the hospital.

While the needs of this growing community will probably tax the new facilities as well as the previous ones to the limit, yet the new addition does help the current situation for the need of hospital beds greatly and should be quite adequate for the needs of the community for the present time, at least. Perhaps further additions or new buildings will be necessary in the near future; but the new enlarged facilities will certainly be a great boon to all concerned.

Control Act of Alberta, 186, with fines of \$3,182.00. These break down as follows:

Illegal Possession... 78 cases  
Intoxication... 60 cases  
Other Infractions... 60 cases

Jail terms were meted as follows:

(1) 7 days, Fort Saskatchewan  
(1) 30 days, " "  
(1) 15 days, " "  
(1) 10 days, " "  
(2) 7 days, " "

## District Personalities

Photo by Chen's Studio

Mr. Lester Campbell Miller

Lester Campbell Miller was born in Marshall County, Kansas, where his father was farming at the time young Lester was born. In 1902 the Miller family moved north to Alberta. In the family at the time beside Mr. and Mrs. Miller and Lester, was Chester, a couple of years older than Lester, and two sisters, who are now Mrs. Peck and Mrs. Young. The family moved to the Riverview on the Barre district northwest of Edmonton, and in 1907 moved to Stony Plain district, and the following year to the Carvel district, where the senior Mr. Miller took up a homestead. Mrs. Miller and Lester and his brother Chester lived on that homestead until 1920. Lester's life has been closely associated with that of his brother Chester, who was crippled by infantile paralysis in 1910 at the age of 17.

Lester signed up for army service in early 1918 and went overseas to Europe with the Infantry 8th Bn. Reserve. He was discharged in July, 1919, and returned to Carvel, where he remained with his mother and brother Chester until the spring of 1920 when they moved to

Ponoka and Lester farmed there for seven years, until forced to quit by a complete crop failure that year. He worked out for about three years, until he came with his mother, and Chester, to this district. They made the trip from Ponoka to Edmonton, and then to Drayton Valley with a lone horse team hitched to a steel-wheel wagon. In the spring of 1940 Mrs. Miller Sr. passed away and is buried in the Drayton Valley cemetery. Lester homesteaded the river flat quarter, where the bridge is now located.

Physical illness caused him to give up that farm and in 1939 he, with his brother Chester, went into the store, which at the beginning of the oil boom in early 1934 was known as the "Miller Store" and which was torn down about a year ago. They had the telephone office and the post-office for several years. In early 1955 the post-office was moved to its present location and in the fall of 1955 Lester gave up the store. A well-known old man who was connected with this field in the (Cont., page 11, Col. 1)

## POLICE REPORTS, continued.

Juvenile Court cases during the year amounted to 10 cases heard of these. 1 was sent to Bowden Institution for an indefinite period, 8 received suspended sentences of one year, 1 received a suspended sentence of 6 months and 2 appeared for informal hearings.

Miscellaneous Cases during the year were as follows:

Pool Room and Billiards Act, 1 case. Indian Act, 6 cases. The Indian Act drew sentences of 7 days for 2 and a sentence of 15 days for one. Fines totaling \$165.00

Traffic tickets issued amounted to approximately \$200, with fines for a total of \$1260.00.

Reports of accidents given in to the police were 53, with damages to 127 vehicles involved ranging from \$35.00 to \$600.00

Staff Photo

At the boxing card staged in Bick's Community Hall last Friday night fans were given a good show for their money with boys from an Edmonton club, the Jasper Place club and the local club all giving a first class accounting for themselves. In the picture taken after the fight are boys from Federation Club, Jasper Place Club and Drayton Valley Club. In the first row is Jerry Ramsey, Jasper Place Coach, Gordon Cross, Drayton Valley Coach and the two main event boxers, Bill Tritty of Jasper Place and Rufus Conkle of the local club. The boxing events were sponsored by Drayton Valley Athletic Association. Another card is scheduled for next month. Drayton Valley has produced some unusually promising young fighters and their fight are always action-packed affairs, which deserve the support of the entire community.
